

My Fortunate Downfall, It's Not You...It's Me

the phone rings and surprisingly it's you
don't know how much i wanna talk to you
why do you call?
why do i stall?
i wonder if you even care at all
or if you're just looking for something to do

i wanna talk in case you've changed your mind
but from the looks of it you've left all that behind
you moved on
you're moving on
i can't believe you're really gone
i wanna hear your voice just one more time

please, God
help me
i don't wanna fall away
strengthen me,
encourage me
so i can make it through another day

you need me now--can that really be what you meant?
you don't know why you've been acting so distant
i miss you
i really do,

but after all that we've been through
i can't reply
if i could would you even listen?

please, God
help me
i don't wanna fall away
strengthen me,
encourage me
so i can make it through another day

i know it, i know it
i know it, yeah
You are there for me
i know it, i know it
i know it, yeah
You are there for me

please, God
help me
i don't wanna fall away
strengthen me,
encourage me
so i can make it through another day...
