

My Life With The Thrill Kill Kult, Sex On Wheelz

Ooo b-baby,
Sex On Wheelz.
Ooo b-baby,
Sex On Wheelz!

I'll turn you on like a tiger baby.
Hard body, .Motor City.
Love life!
I'll take you for a ride, down the mindway baby.
Be my little human sacrifice.

Do my kisses burn?
Do they take your breath?
You've got a lesson to learn now...
I'm the kiss of death!

History is written by winners baby,
so let's make a little of our own tonight.
If you're thinkin' my idea of fun is a drag,
then you've never been to paradise.

Do my kisses burn?
Do they take your breath?
You've got a lesson to learn now...
I'm the kiss of death!
