My Life With The Thrill Kill Kult, Starmartyr

[s] "I always wanted to be a movie star."

[s] " Why am I doing this? Why do I have to do it, and why can't I just be an ordinary person? "

The Starmaker pulled his strings,

He gave her golden wings,

But vicious snakes invade her World,

With cigarettes and purple pillz.

Man on a red horse, man on a red Harley,

Girl on a mind trip lost on the Mindway.

She commits to a kustom bike guy,

Over sexed rebel of rubber,

Tired, punched and numbered,

Off with her head, said the king of lightning.

- [s] " How do you like the accomodations? "
- [s] "Well I guess... they're fine honey..."
- [s] "More life, more love, more freedom, more choice!"
- [s] " There is an occult explosion taking place in the Western World. "
