

My Life With The Thrill Kill Kult, Universal Luxury

Elemental fool, baby give it to me.
I want it now.
Shower me in universal luxury.
Turn me on Mr. Hot, wild and free.
Come on, Come on, sweet baby mystery.
Take it like a man, boy.
Come on baby.
I hold the upper hand. Come on baby.
Love me for the queen that I am.
Wicked lover voodoo, yeah yeah ya.
Show me in universal luxury.
Fall into my arms. Escape into my spell.
Fall into my arms, hard, fast and beautiful.
Too beautiful to beat, to rotten to love, the hot blood,
the fast stud.
Bounce, girl, bounce! Universal luxury.
Take it like a man, boy.
I hold the other hand, boy.
Take it like a man, boy.
Love me like the queen that I am!
Universal Luxury!
Oh boy!
Come on baby, shower me with universal luxury!
