

My Morning Jacket, Highly Suspicious

Wasting time home alone dotting your "i's".
Peanut butter pudding surprise!
Ain't nobody care what's going on in your mind--
but they got they eye on your prize...
I'm highly suspicious of you.

Now daddy's got you home alone--
solving all your crimes.
Peanut butter pudding surprise!
Ain't no jokin', smokin', strokin', tapping your lines--
peanut butter pudding surprise!

I'm highly suspicious of you.

Wasting all your time on drama,
could be solving real crime,
waste away your mind too...

I'm highly suspicious of you.
I'm highly suspicious.
Highly suspicious of you.
