

# My Morning Jacket, Touch Me I'm Going To Scream

"My Morning Jacket - Touch Me I'm Going To Scream Pt. 2"

If you touch me  
Well I just think I'll scream  
Cause it's been so long  
Since someone challenged me

Made me think  
'Bout the way things are  
Made me think  
About the way that you be

I believe in love  
My, mmm...my love, mmm...my love  
I don't even know why

Ohh this feeling is wonderful  
Don't you ever turn it off  
Ohh this feeling is wonderful  
Don't you ever turn it off

Feeling high on life  
Human beings  
Heart beats

I can see it  
By the way you smile  
I'm smilin' too  
I see myself in you

I am with this  
When I am wise  
mmm...my love, mmm...my love  
I don't even know why

Oh this feeling is wonderful  
Don't you ever turn it off  
Ahh this feeling is wonderful  
Don't you ever turn it off

ahhhhhohh yeah  
hooooahhhohh  
ooh ohh  
ahh

ooohh  
ooohh  
oohhh  
ohhhahhoo  
(repeat)
