

My Morning Jacket, Touch Me I'm Going To Scre

"My Morning Jacket - "Touch Me I'm Going To Scream Pt. 2""

If you touch me
Well I just think I'll scream
Cause it's been so long
Since someone challenged me

Made me think
'Bout the way things are
Made me think
About the way that you be

I believe in love
My, mmm...my love, mmm...my love
I don't even know why

Ohh this feeling is wonderful
Don't you ever turn it off
Ohh this feeling is wonderful
Don't you ever turn it off

Feeling high on life
Human beings
Heart beats

I can see it
By the way you smile
I'm smilin' too
I see myself in you

I am with this
When I am wise
mmm...my love, mmm...my love
I don't even know why

Oh this feeling is wonderful
Don't you ever turn it off
Ahh this feeling is wonderful
Don't you ever turn it off

ahhhhhohh yeah
hooooahhhohh
ooh ohh
ahh

ooohh
ooohh
oohhh
ohhhahhoo
(repeat)
