

# My Ruin, Morning Prayer

last night I had a dream  
i was drowning again  
you grabbed my hand and pulled me to safety  
as i looked into your eyes i saw my savior  
the person that i knew had been there all along  
just waiting for the chance  
to kill me  
we kissed  
and my mouth started to bleed  
then all my teeth fell out  
i hate it when that happens
