

My Ruin, Preacher

It was a long time ago
Longer now than it seems
A place that perhaps you have seen in your dreams...

Welcome to my world
Is it what you thought it would be?
I'm trapped inside this HELL
Between BLOOD QUEEN and PURGATORY
A COOP filled covered hall
A tattooed BABYDOLL
I've got the DEVIL in my corner
And JESUS on my wall

(chorus)
Today is an OATMEAL day
I feel like a MONSTER BABE
PREACHER save me with your call
And I will be your LITTLE MISS SCAREALL
One eye's GREEN and one eye's BLUE
DEMONS, ANGELS a LOVE that's TRUE
Catch me as I start to fall
Let me be your LITTLE MISS SCAREALL

HALLOWEEN is over
But I will keep you SCARED
Take you to the FRIGHT SIDE
I know you'll come prepared
By your DEADLY NIGHTSHADE
Turn your CHRISTMAS black
And you can be my JOHNNY HOMICIDAL MANIAC

(Repeat chorus)

FORGIVE me PREACHER
For I have SINNED
It's been 3 weeks since my FIRST CONFESSION
I AM THE ONE... hiding under your BED
My TEETH are SHARP, my LIPS are RED
I AM THE ONE.... Hiding under your STAIRS
With SNAKES and SPIDERS in her hair

I feel like a MONSTER BABE
LITTLE MISS SCAREALL
I feel like a MONSTER BABE
