

# My Ruin, Sycophant

One two freddy's commin' for you  
Three four better lock your door  
Five six grab your crucifix...

Something WICKED THIS WAY COMES  
PREMEDITATED EVIL numbs  
Cartoon KIDS crayola SMILES  
CHILDREN OF THE KORN FED STYLES  
But I don't buy your LIES  
I see through your disguise  
Don't feel your SCREAMS or CRIES  
WHY?.....

(chorus)

I'm sick of looking so sick I can't  
I'm SICK of the SYCOPHANT  
Sick of listening so sick I can't  
I'm SICK of the SYCOPHANT  
SICK of looking so sick i can't  
SICK of listening so sick i can't SICK

I see you BREATHLESS and DERANGED  
A LITTLE GIRL who's acting STRANGE  
Tryna SCARE us with your SCREAM  
But it's all ROUTINE  
And all you've done is TAKE  
STEAL and IMMITATE  
YOU are what YOU created  
YOUR FAKE!.....

(Repeat chorus)

I barely recognize... you in your new disguise  
COSMETIC COVERED EYES  
Just tell me WHY? WHY? WHY? WHY?

You put the MAKE UP on, take the MAKE UP off  
SEARCHING TO BE FOUND  
But you're so FUCKIN' lost.... So fuckin' lost

Now THE ROAD TO HELL is paved with stones  
And some of those are FAKES and CLONES  
COUNTERFEITS which SUCK and BLEED US  
Wearin' FUCKIN' ADIDAS  
But something just ain't right, NO SUBSTANCE ONLY HYPE  
With FAITH you GOT THE LIFE that made you rich  
And a PUNK ASS BITCH!....

I'm sick of looking so sick I can't  
I'm SICK of the SYCOPHANT  
Sick of listening so sick I can't  
I'm SICK of the SYCOPHANT  
SICK of looking so sick i can't  
I'm Sick of the SYCOPHANT  
SICK of listening so sick i can't  
SICK SICK SICK of you and anyone like you, sometimes I think I've lost my mind... or  
else this whole world's BLIND!
