

# My Superhero, Just Plain Fish

won't you come with me?  
where the water meets the trees  
won't you come with me?  
we'll fish until we find the sea  
we're going fishin' tonight  
well i've got to know where to go  
we're going fishin' tonight  
we've been fishin' for a while  
we've been fishin' with a smile  
our fish will be there in a pile  
we'll stock em' like a crocodile  
get the net!
