

Mya, Free Fallin'

Mmm, mmm
Oh, oh
She goes to Church every Sunday morning
Perfect attendance in school to get ahead
But somehow she's just goin' through the motions
She never complains
But she's full of pain
Cause no one cares
She was free
Free fallin'
She was free
Free fallin', yeah
Now she's not the type of girl
That you'd expect to be walkin' alone
Far to beautiful and intelligent
Not to have someone to call her own
By circumstance there is no choice
She does just what he says (He says)
No reward to she figures what's the use
I'm dieing to get away
In the name of the father we pray
Pray, pray, pray, pray
Please remove me from this old place
She was free
Free fallin'
She was free
Free fallin', yeah
She's living life on her own
Praying for serenity
Stay strong for the family (Oh)
But she cries each time (Each time)
She falls so hard (So hard)
Yet holds on to little hope (Holds on)
That soon she'll be a shining star
She was free (Oh, yeah)
Free fallin' (Free fallin')
She was free (Oh yes she was)
Free fallin', yeah (Yes she was, yes she was)
She was free (In the name of the father I pray)
Free fallin' (Cause I'm longing to get away)
She was free (She was fallin', free fallin')
Free fallin', yeah (Whoa, yeah, yea, yea, yea)
She was free (Livin' life on her own)
Free fallin' (But she's holdin' on, yes she holdin' on)
She was free (Mmm, mmm)
Free fallin', yeah (Oh)
In the name of the father I pray (Pray)
Cause I'm wanting to get away
In the name of the father we pray)
Pray pray pray
Free Fallin'
Hello everyone, it's Mya
I just wanna say thanks for joining me on Moodring
This next record is a special treat of mine
It has nothing to do with my album per say
But it's just a gift from me to you
So enjoy and God bless
