

Mya, Pussycats

Where my ladies at
Where the fellas at
Now where the dogs at
Where the cats at

(Chorus)
Pussycats
Keep it tight
Even if they bark all night (Now lemme see y'all wave your hands from side to side)
With a knick-knack paddy wack
Don't give a dog a bone
Cause if he hit it
You gonna be all alone

Momma you should've seen what he done to me
I said Momma
I should've took your advice

Cause Papa was a rolling stone
Wherever he laid his hat was his home
Stay away from those hot boys
Cause I don't want you to get burned

(Chorus 2xs)

Girlfriend
Innocent woman on the streets
Fed into seduction
After wanting the street poetry
Like a virgin touched for the very first time
She got open unaware of the seven signs
She fell victim to the darker side
But I'm here to tell you why

(Chorus 2xs)

The fellas the ladies uh
The dogs my cats uh

(Hook: 2xs)
No matter what they do
No matter what they say
No matter how hot they are
Don't let them play
No matter what they do
No matter what they say
Don't let 'em in girls
No no way

(Chorus 2xs)

Now lemme clear something up here
I know there's a lot of real men out there
Much love to y'all
But we talking the dogs out there tonight
To all the pussycats out there
Don't give it, don't give it up

Don't give a dog a bone (3xs)
