

Myah, Stiletto sex

She needs to fuck everynight
she needs to suck she needs to lick, she needs to fight
she likes it rough
she likes to tease
electric, dirty, disco
fuck
no thank you please
slips on her fishnets with painted toes
smears on her lipstick, tease her hair and rips her clothes
oh so electrick
with hair died black
old jacket faded, complicated, now shes back
shes fancy
shes highclass
shes trashy
shes celebrity
shes hollywood
a nice ass,
a tease, but still
its not for free
(for free)
shes got the pills
just name the kind
she'll press the buttons
erase, play and rewind
a dirty cunt you say, maybe its true
but shes out fucking him
while hes out playing you
shes got the blades on hand
and the scars to prove
her bruises go to deep
for the past to remove
just go and dance
she'll like it too
twirl her and bite her lip
thats what she likes to do
shes fancy
shes highclass
shes trashy
shes celebrity
shes hollywood
a nice ass,
a tease, but still
its not for free
(for free)
