

Mylo, Destroy Rock & Roll

All perversions of the third eye
through distorted and exaggerated images,
perverted movements of the body and breakdancing,
and other forms of dancing,
and we especially call for the judgement in this hour
and the destroying of rock music directed
specifically against children
through the videos that were portrayed,
and working specifically through these individuals,
for whom we call for
the judgement of the sacred fire of this hour,
before the throne of almighty god,
