

MYOMI, Sun in My Eyes

Ive got to get out of whatever Im in

Find a point with my way back to the beginning

Ive had it up to here with being nowhere near

Im through with making do, Im cutting to a point thats new

Cos I am on the threshold of some brighter thing

Not many understand that all I wanna do is sing

My words hold me in place, they help to keep me safe

Push my back against the wall and catch me, if I fall

Catch me, if I fall

[repeat]

With the sun in my eyes and the world at my feet

My loves in the music, the musics in me

[repeat]

The sun in my eyes

Catch me, if I fall

[repeat]

With the sun in my eyes and the world at my feet

My loves in the music, the musics in me

[repeat]

The sun in my eyes

Cos what goes round comes back around

[repeat]

With the sun in my eyes and the world at my feet

My loves in the music, the musics in me

[repeat]

The sun in my eyes
