

Myra, Miracles Happen

Miracles happen
Miracles happen

You showed me faith is not blind
I don't need wings to help me fly
Miracles happen
Miracles happen

I can't imagine living my life without you now
Not ever having you around
We found our way out
(on you I can depend)
Don't have to look back to realize how far we've come
There are a million reasons
I'm lookin up
I don't want this to end

Nothing
Nothing should ever bring you down
Knowing
What goes around will come around

You showed me faith is not blind
I don't need wings to help me fly
Miracles happen,
Once in a while
When you believe
(miracles happen)
You showed me dreams come to life
And taking a chance on us was right
All things will come
With a little time
When you believe

There is no question
We found the missing pieces
Our picture is completed
It's fallin in to play
(it's fallin in to play)
This is a moment,
You are tied and I'm looking out
Somebody's watching over us
Keeping me closed
Closer to you everyday

Nowhere
Nowhere on earth I'd rather be
No one
Can take this away from you and me

You showed me faith is not blind
I don't need wings to help me fly
Miracles happen
Once in a while
When you believe
(miracles happen)
You showed me dreams come to life
And taking a chance on us was right
All things will come
With a little time
When you believe

(When you believe)
The soul is a shining light

(When you believe)
The heart has the will to divide
You can do anything,
Don't be afraid
We're gonna find out where

You showed me faith but it is not right
Oooh, oh yeah
Miracles happen
Miracles can happen
Miracles happen
Miracles can happen

You showed me faith is not blind
I don't need wings to help me fly
Miracles happen,
Once in a while
When you believe
(miracles happen)
You showed me dreams come to life
And taking a chance on us was right
All things will come
With a little time
When you believe

(Repeat to fade)
