

Myra, Miracles Happen (When You Believe)

"Thanks for watching shut up and listen,
now shut up and watch a new music video from Myra called...Miracles...HAPPEN!"

Miracles happen
Miracles happen

You showed me faith is not blind
I don't need wings to help me fly
Miracles happen
Miracles happen

I can't imagine living my life without you now
Not ever had when you were round
We found our way out
(on you I can depend)
Don't look, don't look back
During our lives how far we've come
There are million reasons
I'm lookin' up
I don't want this to win

Nothing
Nothing should ever bring you down (ooh ooh ooh ooh)
Knowing
One goes around with all around

You showed me faith is not blind
I don't need wings to help me fly
Miracles happen, once in a while
When you believe
(miracles happen)
You showed me dreams come to light
And taking a chance on us what's right
All things will come with a little chime
When you believe

There is no question
We found the missing pieces
Our picture is completed
It's fallen into play
(it's fallen into play)
This is a moment,
You are tied and I'm looking out
Someone is watching over us
Keeping me closed
Closer to you everyday

Nowhere
Nowhere on Earth I'd rather be (ooh ooh ooh ooh)
No one
Can take this away from you and me

You showed me faith is not blind
I don't need wings to help me fly
Miracles happen, once in a while
When you believe
(miracles happen)
You showed me dreams come to light
And taking a chance on us what's right
All things will come with a little chime
When you believe

When you believe

The soul is a shining light
When you believe
The Hornets that will divide
You can do anything,
Don't be afraid
We're gonna find out where

You showed me faith but it's not right
(oh oh oh oh) (oh yeah)
(miracles happen)
Miracles can happen
(miracles happen)
Miracles can happen

You showed me faith is not blind
I don't need wings to help me fly
Miracles happen, once in a while
When you believe
(miracles happen)
You showed me dreams come to light
And taking a chance on us what was right
All things will come with a little chime

When you showed me faith is not blind
I don't need wings to help me fly...
