

# Myrath, Confession

Here I go, back for more  
Walking the path of hell No More  
Life runs through my veins  
I hear the judgement frightening bells  
Thought that you would be there  
Holding my hand here after death  
But, if life is unfair  
Death's even worse in pain  
Ahhhh ahhhhh ahhhhh  
Are you laughing up there?  
Standing upon my lonely grave  
Here's my soul I gave  
As greatest proof that I'm your slave  
7 sins I confess  
Those sins that led me to my death  
I can't stand anymore  
Still feel the pain of my last breath  
Wounds on my soul  
Hurt more and more  
Lost my way  
Light fades away  
Seems like it's  
My judgement day
