

# Myrkskog, Blood Ejaculation

As I stab the Blade through your chest  
Consuming your fear and weakness  
I fulfil my superior existence  
As your filthy blood becomes mine

Deadly! Deadly penetration!!!  
Blood! Blood ejaculation!!!

How does it feel mother fucker?!  
To be thrown useless in the mud

Deadly! Deadly penetration!!!  
Blood! Blood ejaculation!!!

Steaming blood, convulsive corpse  
A vision of a killer is all you see  
I fulfil my superior existence  
And you die in a pool of your own stinking blood!!!
