

# Mysteries Of Life, Tell Me

There's nowhere to pay now  
Put your dues away now  
This is free

No cause or effect 'cause  
All lines in the set just  
You and me

It's so unexpected  
I think it's connected  
The plane will be leaving  
It's leaving soon

It's bigger than me now  
It's bigger than me now  
It's bigger than me

So tell me  
I'm here, you know, you might as well  
Just tell me  
You're near somebody you can tell

Resistance is useless  
It's not you who chooses  
Or denies

You don't need a reason  
You make it look easy  
When you try

Been wishing for ages  
I got pressed between pages  
But all of the life dried on

I'm counting to three now  
I'm counting to three now  
I'm counting to three

So tell me  
I'm here, you know, you might as well  
Just tell me  
You're near somebody you can tell

You threw in a penny  
And didn't say anything  
Turning to leave, well I'm asking you

How does it feel  
How does it feel  
When a wish comes true

So tell me  
I'm here, you know, you might as well  
Just tell me  
You're near somebody you can tell

Just tell me  
I'm here, you know, you might as well  
Just tell me  
You're near somebody you can tell
