

Mysteries Of Life, That's How Strong My Love Is

If I was the sun way up there
I'd go with my love everywhere
I'll be the moon when the sun goes down
To let you know I'm still around
That's how strong my love is
That's how strong my love is
That's how strong my love is
That's how strong my love is

I'll be the weeping willow drowning in my tears
You can go swimming when you're here
I'll be the rainbow when the storm is gone
Wrap you in my colors and keep you warm
That's how strong my love is
That's how strong my love is
That's how strong my love is
That's how strong my love is

I'll be the ocean so deep and so wide
I'll cast the tears that you cry
I'll be the breeze when the storm is gone
To dry your eyes and keep you warm

That's how strong my love is
That's how strong my love is
That's how strong my love is
That's how strong my love is

That's how strong my love is
That's how strong my love is
That's how strong my love is
That's how strong my love is
