(Method Man)

Yo, yo, yo..

If school was pussy, I wouldn't miss a day  
Big John Jay slay around the way, fish fillet  
Taste the truth, ay' no more lies like \*\*\*MICHEL'LE\*\*\*  
Keep my kids frost like they was born in east L.A.  
Told yo' buy yo' weed by the ounce, twins lets bi-dounce  
That shit they talkin' don't add up, I say what get down  
Can't stop drop, can't flock, most of all I can't stop  
Wreck my hand-cuffs and fightin' bullies in the sandbox  
Method-cal, Mystikal, Oh yeah that's my man Doc'  
\*\*\*WOLF IN SHEEPS CLOTHIN'\*\*\*, WHA!, hit you with the lamb chop  
Throw 'em up, slow 'em up, \*\*\*LIGHT\*\*\* the wic blow 'em up  
Chick showin' butt, half of y'all ain't even \*\*\*OLD ENOUGH\*\*\*  
Cause I'm, I'm comin' dirty like duzum  
Come on, like Buzz Lightyear lets get our buzz on  
The ladies in the club, like "where the dollars at?"  
They babies be at home like "where my momma at?"

(Chorus)

(Redman)

When the twins track on, you can't talk you bark on it  
Doc \*\*\*SHOW OFF\*\*\* on it, sometimes get lost on it  
America's Most No Time \*\*\*MY CAR WARMIN'\*\*\*  
Timberland's and Nike Air's in the fog runnin'  
We job huntin', with no I.D.'s  
Plus my \*\*\*PUMP\*\*\* carry all the minerals I need  
I'ma flow top speed, my crew fight it out  
like in-door \*\*\*HOCKEY\*\*\*, it's war when I bleed  
Sugar come here, throw that ass in the air  
I leave blood guts and, broken glass everywhere  
I write with "bear" hands, but I'm a gorrilla  
Broke out the zoo, with Mystikal and my nigga  
F\*\*k y'all \*\*\*FERARRI\*\*\*, I'm inside of a \*\*\*RENTER\*\*\*  
With fat chicks arguing, Who's body is bigger?  
I'ma get my smoke on, I'ma get my freak on  
Rims get they poke on, here's some more dope to choke on

(Mystikal)

I get it started for you, Soon as I get'cha cause
