

Mytown, Now That I Found You

How can I believe that my
Heart would find someone like you
You see the real me
No in-betweens, I had nowhere to hide
You took away the walls around me
Made me feel safe to share my truth

Chorus:

I see the heavens open
A heart that once was broken
Is holding nothing back
Now that I found you
You hold me like a prayer
You touch me everywhere
A lifetime just ain't enough to love you true
Now that I found you
Now that I found you
Now that I found you

You believe we're meant to be
Our chemistry will last forever
And through the years we'll see some tears
We'll conquer fears, together we will grow
Looking in your eyes they tell me
I'll no longer have to feel alone

I see the heavens open
A heart that once was broken
Is holding nothing back
Now that I found you
You hold me like a prayer
You touch me everywhere
A lifetime just ain't enough to love you true
Now that I found you
Now that I found you
Now that I found you

You, you see me
The real me
You believe in me

I see the heavens open
A heart that once was broken
(Because of you)
Now that I found you
You hold me like a prayer
You touch me everywhere
A lifetime just ain't enough

I see the heavens open
A heart that once was broken
Is holding nothing back
Now that I found you
You hold me like a prayer
You touch me everywhere
A lifetime just ain't enough to love you true
Now that I found you
Now that I found you
Now that I found you
Now that I found you...

Ahhh...
Ahhh....

So glad that I found you.. (Ahh..)

Ahh...
