

N-DUBZ, Don't Get Nine

Don't Get Nine, Nine, Nine,
Only Get One Chance Don't Get Nine
Don't Get Nine, Nine, Nine,
You Only Get, Only Get, Only Get, Ahh.
Don't Get Nine, Nine, Nine,
Only Get One Chance Don't Get Nine
Don't Get Nine, Nine, Nine,
You Only Get, Only Get, Only Get, Ahh.
The Other Day Two Of My Friends Told Me That You Liked Me,
Would Do Just About Anything To Spend The Night With Me.
But For Me To Like You;
Gotta Half Half You, Me, Better Half Glass
And By The Looks Of It You Got Much More Than Asked,
See Every Other Girl I've Been With,
(Yeh) Had Her Face All Up In My Business,
(What) So I With You I Need To Chase Ya
'Cause I'm All About That Pace, See Ya,
See Every Other Man I've Been With,
I Realise I Never Could Live With,
Until You Came Into My Life
You Just Might Change It All For Me So..
Boy You Come Accross My Life,
Kiss Me For The First Time.
Prove To Me Shh Are Mine
'Cause You Only Get One Chance, Don't Get Nine.
(Trust) Don't Try And Waste My Time,
I'm Feelin' You, You On My Mind.
But Remember;
You Only Get One Chance, Don't Get Nine.
Don't Get Nine, Nine, Nine,
You Only Get One Chance, Don't Get Nine,
Don't Get Nine, (Are You For..) Nine, Nine,
You Only Get, Only Get, Only Get, Ahh.
Dappy: Let Me Upgrade Your Life,
I Would Treat You The Same As My Dad Treated His Wife.
Everyday Could Be Your Birthday,
Don't Need To Worry 'Bout The Price,
I Could Buy That Twice.
What Am I On?
Have You Heard My Song?
Do You Know Who I Am Or Are You Leadin' Me On?
Tulisa: Do You Think That I Care 'Cause You Sang I Swear?
You Lil Idiot Get Out Of Here..
Faze: Ah Blad Are You Dumb?
Dappy: What Do'You Mean Am I Dumb?
Faze: Don't Let Her Talk To You Like She Is Some Bum!
Tulisa: I've Been There Shut Up.
Faze: Who You Tellin' To Shut Up? (Hu)
About Bein' There
Tulisa: Whatever
Faze: So Blad Are You Blind?
Dappy: What Do'You Mean Am I Blind?
This Girl's Taken Me A Decade To Find.
Oi, You The True Meanin' Of A Stunner,
But Crossed Your Line, But Believe My Point.
See Every Other Girl I've Been With,
(Yeh) Had Her Face All Up In My Business,
(What) So I With You I Need To Chase Ya
'Cause I'm All About That Pace, See Ya,
See Every Other Man I've Been With,
I Realise I Never Could Live With,
Until You Came Into My Life
You Just Might Change It All For Me So..

'Cause You Only Get One Chance, Don't Get Nine.

Everytime That You Turn Around,
Eyes Can't Help But Go Down,
Girl You're Such A Tease,
(Huh, Huh, Uhh)
Tell Me What I Got To Do To Get You,
Look I Ain't Try'na Be Rude,
But You Just Make Me Wanna Uh Uh Uh..
So You Wanna Go On Down,
Babe Why Don't, But I'm Not Easy (It Won't Be Easy)
No, But If You Wait Baby Believe Me,
My Touch Will Garentee You'll Never Leave,
So Take A Chance And Cross My Life,
Boy You Come Accross My Life,
Kiss Me For The First Time.
Prove To Me Shh Are Mine
'Cause You Only Get One Chance, Don't Get Nine.
