

N-DUBZ, Everyday Of My Life

Na na ni, oohh na na now, haha yeah

[Chorus:]

We're in it from morning to night, someones always going down now, im feeling the shots, the deal

You see this life it aint a joke, where im from you get 13 year old boys on the side of the road snort

[Chorus:]

We're in it from morning to night, someones always going down now, im feeling the shots, the deal

So when the mic turns on its like im trapped in a song, trying to find the right words so the whole w

[Chorus:]

We're in it from morning to night, someones always going down now, im feeling the shots, the deal

Damn right Londons getting sicker by the day, one of you n****s come out, the others making us w

[Chorus:]

We're in it from morning to night, someones always going down now, im feeling the shots, the deal

[repeat until fade]
