

# N.E.R.D. feat. Nelly Furtado, Hot-n-Fun

Okay, we wrote this for a purpose, to motivate you at this time,  
With this hypnotizing bassline, please feel free to lose your mind,  
And get high, get money, get sex, get real, all intertwined  
Oh yeah, this is stadium music, 50,000 at a time

Let's get right, let's get right  
Let's get right, okay (okay)  
Let's get right, let's get right  
Let's get right, okay (okay)

All the girls want, Hot N Fun  
All they looking for is, Hot N Fun  
All they ask for is, Hot N Fun  
They keep wanting that, Hot N Fun  
Look at you, look at me  
Look at you, look at me  
Hot N Fun, Hot N Fun

Let it go  
Homeboy, she's dancing for a reason, not just cause on I'm on her hind,  
Homeboy, it's totally obvi, you don't be listening to her mind,  
She want to get right, get money, get sex, get real, all intertwined  
This is stadium music, fifty thou jumping at a time

Let's get right, let's get right  
Let's get right, okay (okay)  
Let's get right, let's get right  
Let's get right, okay (okay)

All the girls want, Hot N Fun  
All they looking for is, Hot N Fun  
All they ask for is, Hot N Fun  
They keep wanting that, Hot N Fun  
Look at you, look at me  
Look at you, look at me  
Hot N Fun, Hot N Fun

And then he's breathing,  
Love into lust,  
So many reasons,  
To save the cast,  
Cause tis the season

To a new day,  
People don't want to think no more, they just want to feel  
They want to let go

Let's get right, let's get right  
Let's get right, okay (okay)  
Let's get right, let's get right  
Let's get right, okay (okay)

All the girls want, Hot N Fun  
All they looking for is, Hot N Fun  
All they ask for is, Hot N Fun  
They keep wanting that, Hot N Fun  
Look at you, look at me  
Look at you, look at me  
Hot N Fun, Hot N Fun

And then he's breathing,  
Love into lust,  
So many reasons,  
To save the cast,

Cause tis the season  
Come on

Let's get right, let's get right  
Let's get right, okay (okay)  
Let's get right, let's get right  
Let's get right, okay (okay)

Hello, I miss you
