

# N\*R\*D\*, It's almost over now

Fuckin' posers

yo yo yeah, yo yo yeah, yo yo yeah, yo yo yeah, uh, yeah

fuckin' posers, it's almost over now, it's almost over now

For all you fuckin' posers, yeah

It's almost over now, it's almost over now

You think the way you live's okay

You think posing will save your day

You think we don't see that you're running

Let her call your boys 'cause i'm coming

You can't be me i'm a rock star

I'm rhymin on the top of a cop car

I'm a rebel and my .44 pops far so

It's almost over now, It's almost over now

Guess you ain't heard that we swallow guys

It's too damn late to apologise

When you see the mantle or when you see the skies

It's almost over now, Almost over now

You think that you don't have to ever quit

You think that you can get away with it

You think the light won't be ever lit

It's almost over now, Almost over now

Somethin' on your chest better get it off

There'll be no one left when we set it off

We ain't gonna take it no more

Since it's almost over now, Almost over now

You had plenty of time, there was no rush

But it was your dream to be like us

You're in dreamland so you don't care

And as you wait we're standing there

You can't be me i'm a rock star

I'm rhymin on the top of a cop car

I'm a rebel and my .44 pops far so

It's almost over now, It's almost over now

Guess you ain't heard that we swallow guys

It's too damn late to apologise

When you see the mantle or when you see the skies

It's almost over now, Almost over now

You think that you don't have to ever quit

You think that you can get away with it

You think the light won't be ever lit

It's almost over now, Almost over now

Somethin' on your chest better get it off

There'll be no one left when we set it off

We ain't gonna take it no more

Since it's almost over now, Almost over now

It's almost over now, it's almost over now

You don't succeed, 'cause you hesitate

You think we're flyin but we'll levitate

Just be yourself, don't ask us why

'Cause if you don't, we'll make you fly

You can't be me i'm a rock star

I'm rhymin on the top of a cop car

I'm a rebel and my .44 pops far so

It's almost over now, It's almost over now

Guess you ain't heard that we swallow guys

It's too damn late to apologise

When you see the mantle or when you see the skies

It's almost over now, Almost over now

You think that you don't have to ever quit

You think that you can get away with it

You think the light won't be ever lit

Well It's almost over now, Almost over now

Somethin' on your chest better get it off

There'll be no one left when we set it off

We ain't gonna take it no more
