

N*E*R*D*, Sooner Or Later

Sooner or later it all comes crashing down (crashing down)
Crashing down (crashing down)
When everyones around
I bet you would of paid up all your cash down (your cash down)
And not make a sound (to make a sound)
When everyone knows now
So your sad
About the moment
You lost your love (damn)
You couldn't see her leaving (you were gay)
And that sucks don't it
Cause god yanked the rug
And holding your heart will not help you breathe
Sooner or later it all comes crashing down (crashing down)
Crashing down (crashing down)
When everyones around
I bet you would of paid up all your cash down (your cash down)
And not make a sound (to make a sound)
When everyone knows now
It all comes crashing
Down
It's over leave it
So your sad
And you should own it
That you fucked up (damn)
You thought that you were the team (you were gay)
And now your opponent
He wears your gloves
A nightmare just ate up your dreams
Sooner or later it all comes crashing down (crashing down)
Crashing down (crashing down)
When everyones around
I bet you would of paid up all your cash down (your cash down)
And not make a sound (to make a sound)
When everyone knows now
It all comes crashing
Down
It's over leave it
So your sad
Could have had so much done
You blew it off
Your chances passing you by (you were gay)
Time waits for no one
And it costs for a loss
A cosmic joke
Should you laugh or cry
Sooner or later it all comes crashing down (crashing down)
Crashing down (crashing down)
When everyones around
I bet you would of paid up all your cash down (your cash down)
And not make a sound (to make a sound)
When everyone knows now
It all comes crashing
Down
It's over, leave it
(Nooooo?)
It's over, leave it
Down
It's over, leave it
It's over leave it
