

N-Force, All my life

I will never find another lover
Sweeter than you, sweeter than you
And I will never find another lover
More precious than you
More precious than you
Boy you are
Close to me, you're like my mother
Close to me, you're like my father
Close to me, you're like my sister
Close to me, you're like my brother
You are the only one, you're my everything
And for you this song I sing, and
1 - All my life

I prayed for someone like you
And I thank God that I
That I finally found you, baby
All my life
I prayed for someone like you
And I hope that you
Feel the same way too
Yes, I pray that you do love me too
I said, you're all that I'm thinking of, baby
Said I promise to never
Fall in love with a stranger
You're all I'm thinking of
I praise the Lord above
For sending me your love
I cherish every hug
I really love you so much, baby, baby, baby
Repeat 1

You're all that I ever know
When you smile on my face
All I see is a glow
You turn my life around
You picked me up when I was down
You're all that I ever know
When you smile my face glows
You picked me up when I was down
You're all that I ever know
When you smile my face glows
You picked me up when I was down
And I hope that you
Feel the same way too
Yes I pray that you
Do love me too

2 - All my life
I prayed for someone like you
And I thank God that I
That I finally found you, baby
All my life
I prayed for someone like you
Yes, I pray that you do love me too
