

# 'N Sync, 2003 Grammy Awards, Bee Gees Medley

Good morning mister sunshine  
You brighten up my day  
Come sit beside me in your way

I see you every morning  
Outside the restaurant  
The music plays so nonchalant

Lonely days, lonely nights  
Where would I be without my woman?  
Lonely days, lonely nights  
Where would I be without my woman?

And how can you mend a broken heart?  
How can you stop the rain from falling down?  
How can you stop the sun from shining?  
What makes the world go round?

How can you mend this broken man?  
How can a loser ever win?  
Please help me mend my broken heart  
And let me live again.

How deep is your love  
how deep is your love  
I really need to love  
'Cause we're livin' in a world of fools  
Breakin' us down  
And they should all just let us be  
We belong to you and me  
[da da da da da da da da]  
How deep is your love

Well you can tell by the way I use my walk I'm a woman's man  
No time to talk  
Music loud and my feelin's warm  
I can do you right since I was born  
And now it's all right that's okay  
you may look the other way  
We can try to understand  
The New York Times' effect on man

Whether you're a mother or whether you're a brother  
You're stayin' alive, stayin' alive  
Feel the city breakin' and everybody shakin'  
People stayin' alive stayin' alive  
Ah ah ah ah stayin' alive stayin' alive  
Ah ah ah ah stayin' alive [yeah]  
I'm stayin' alive
