

'N Sync, A Little More Time on You

Written by sturken/rogers

Yeah....

Oh yes

Ohhh..yeah..

Can this be true?

Tell me can this be real?

How can I put into words what I feel?

My life was complete

I thought I was whole

Why do I feel like I'm losing control?

I never thought that love could feel like this

And you've changed my world with just one kiss.

How can it be that right here with me

There's an angel?

It's a miracle...

Your love is like a river

Peaceful and deep

Your soul is like a secret

That I could never keep

When I look into your eyes

I know that it's true

God must of spent...

A little more time

On you...

(a little more time yes he did baby)

In all of creation

All things great and small

You are the one that surpasses them all

More precious than

Any diamond or pearl

They broke the mold

When you came in this world

And I'm trying hard to figure out

Just how I ever did without

The warmth of your smile

The heart of a child

That's deep inside

Leaves me purified

Your love is like a river

Peaceful and deep (and deep)

Your soul is like a secret

That I could never keep

When I look into your eyes

I know that it's true

God must of spent...

A little more time

On you...

(on you on you on you you....on you on you on you you..) ohhh...

(on you on you on you you....on you on you on you you..) yeah...

Never thought that love could feel like this

And you changed my world with just one kiss.

How can it be that right here with me

There's an angel?

It's a miracle...

Your love is like a river

Peaceful and deep (peaceful and deep)

Your soul is like a secret

That I could never keep

When I look into your eyes

I know that it's true

God must of spent...

A little more time

On you...

(on you on you on you you...)

God must of spent...
A little more time
On you
(on you on you... you... you... oooh... yeah)
A little more time
On you... ohhh
