

'N Sync, All i want is you this Christmas

Snowy Night

Where it's warm here by the fire

Here with you (here with you)

I have all that I desire

It's been a long year

But somehow we got by

Now it's Christmas Eve

And love is on our side

I don't need a hundred gifts beneath the tree

Don't you know the best thing you could give to me

Nothin' else will do,

All I want is you this Christmas

Children sing (children sing)

Christmas carols at our door

Spreading joy, (spreading joy)

That's what Christmas time is for

Though we don't have much

You've got me and I've got you

And with a little faith

Miracles come true

And I don't need a hundred gifts beneath the tree

Don't you know the best thing you could give to me

Nothin' else will do,

All I want is you this Christmas

I don't want the love any other girl

I want only thing in this whole wide world

Nothing else will do

All I want is you this Christmas

Cheek to cheek

The lights are low

A kiss beneath the mistletoe

Your face lit by the fire's glow That's all I want tonight

And I don't need a hundred gifts beneath the tree

Don't you know the best thing you could give to me

Nothin' else will do,

All I want is you this Christmas

Nothing else will do

All I want is you this Christmas
