

# 'N Sync, Best Of My Life

Girl don't say that's it's over  
'Cuz you are a part of me yeah  
Girl just hold on  
Please tell me what is wrong with us  
Could it be that you're lonely  
Could it be that I didn't care  
Tell me please girl  
That you are still feelin' for me

Bridge:

Girl where is the love  
That we used to know, our love  
All these beautiful days that we used to share  
So tell me please what can I do

Chorus:

I will give you the best of my life  
Yes I'll give you all that you need  
Anything that you want I will give it to you  
x2

And you know that I miss you  
And you know I can't live without you  
I'm prayin' each day that your love will come back my way  
In my dreams I still hold you  
In my dreams are you still with me  
Please don't hesitate  
'Cuz girl I can't wait for your love

Bridge

Chorus x2

Where is the love we used to know  
All the beautiful days that we used to share

Chorus x4
