

'N Sync, Best of my life

Girl, don't say that it's over
Cause you are a part of me
Girl, just hold on and please
Tell me, what is wrong with us
Could it be that you're lonely
Could it be that I didn't care
And tell me please girl that you are still feeling for me
Girl, where is the love
That we used to know
Our love
All these beautiful days
That we used to share
Lord; tell me please what can I do
I will give you
The best of my life
Yesm, I'll give you
All that you need
Anything that you want
I will give it to you
CHORUS

And you know that I miss you
And you know, I can't live without you
I'm praying each day that your love will
Come back my way
In my dreams I still hold you
In my dreams are you still with me
Please don't heitate
Cause girl I can't wait for our love
Girl, where is the love
That we used to know
Our love
All these beautiful days
That we used to share
Lord, tell me please what can I do
CHORUS
