

# 'N Sync, Better Place (From TROLLS Band Together)

Grupa 'N Sync prezentuje piosenkę "Better Place" (premiera 29 września 2023 r.). Singel ma znaleźć się na albumie.

It's some kind of love, it's some kind of fire  
I'm already up but you lift me higher  
You know I'm not wrong, you know I'm not lyin'  
We do it better, yeah, we do it better, yeah

I don't mind if the world spins faster  
The music's louder, the waves are gettin' stronger  
I don't mind if the world spins faster  
Faster, faster

Just let me take you to a better place (Oh)  
I'm gonna make you kiss the sky tonight  
Yeah, if you let me show the way  
I'm so excited to see you excited  
I'll take you to a better place, yoo-hoo-oooh  
And, baby, you can love me on the way  
We're flyin' up to outer space  
I'm so excited to see you excited, yeah

Yeah, ooh (Yeah, yeah)  
You like the bed style loud, I wanna lose control  
I wanna dance all night, you like it nice and slow  
Don't want it any other way, tell all your friends you're gonna stay  
When were together, you know that we do it better

I don't mind if the world spins faster  
The music's louder, the waves are gettin' stronger  
I don't mind if the world spins faster  
Faster, faster

Just let me take you to a better place (Oh)  
I'm gonna make you kiss the sky tonight  
Yeah, if you let me show the way (Show the way)  
I'm so excited to see you excited  
I'll take you to a better place, yo-hoo-oooh  
And, baby, you can love me on the way  
We're flyin' up to outer space  
I'm so excited to see you excited, yeah

I like to see you lose control (Ain't nobody better, we can do it better)  
I know a place, say that you'll go with me (Ain't nobody better, we can do it better)

Just let me take you to a better place  
I'm gonna make you kiss the sky tonight  
Yeah, if you let me show the way (Show your way)  
I'm so excited to see you excited  
I'll take you to a better place, yo-hoo-oooh  
And, baby, you can love me on the way  
We're flyin' up to outer space  
I'm so excited to see you excited, yeah
