

'N Sync, Bringin Da Noise

Bring in the noise
bring down the house
we came here to turn the party out
say c'mon c'mon lets raise the roof
and give 'em proof that we can get loose ya'll
(repeat)

we need to get down
the scene is so so right
everybody's in the house tonight
loose your mind
let your body take controll
you've got that feeling in your soul

I've got that feelin baby
you know it drives me crazy
and all I want to do is hit the floor
I want to shout it though
so make it louder ya'll
and turn it up some more.

Chorus~repeat
Bring in the noise
bring down the house
we came here to turn the party out
say c'mon c'mon lets raise the roof
and give em proof that we can get loose ya'll

Bring in the noise
Bring in the noise

Just shake it girl
And enjoy the ride
Do what you feel inside
'Cause it's your world
All you wanted more
so baby go and get yours

I've got that feelin baby
you know it drives me crazy
and all I want to do is hit the floor
I want to shout it ya'll
so make it louder ya'll
and turn it up some more

Chorus~repeat

Bring in the noise
Bring in the noise
Bring in the noise
Bring in the noise

I've got that feelin baby
you know it drives me crazy
and all I want to do is hit the floor

chorus~repeat until fades
