

# 'N Sync, Do your thing

Waiting, for your peice of the pie  
to drop out of the sky (gotta go get it)  
Hesitating, for somebody else  
to run and pass you by (never get your time)

[hook]

There ain't no excuse for losing your feet  
Drowning in your defeat, on this road of life  
there ain't no excuse for coming up short, the ball is in your court  
so reach up and touch the sky

[chorus]

Are you doing your thing and doing it well  
Are they looking at you hating singing oooohhh  
Ar you doing your thing and doing it good  
do your thing thing (oh), do your thing thing (oh)  
(do your thing) Do Your Thing, oooohhhh (oh.....)

Keeping yourself from taking  
on your perfect dream(you had to be open)  
And being something  
somewhere that you read in a magazine (but you never let you shine)

[hook]

There ain't no excuse for losing your feet  
Drowning in your defeat, on this road of life  
there ain't no excuse for coming up short, the ball is in your court  
so reach up and touch the sky

[chorus (x2)]

Are you doing your thing and doing it well  
Are they looking at you hating singing oooohhh  
Ar you doing your thing and doing it good  
do your thing thing (oh), do your thing thing (oh)  
(Believe can nobody do it better than you,  
believe can nobody do it better than you)

Are you doing your thing, well  
Are you letting your dreams, come alive  
Are you doing your thing, good  
Believe can nobody do it better than you,  
believe can nobody do it better than you

[rap]

Gotta walk, gotta break, gotta call, gotta take,  
everything that I bring, never do fall  
Gotta hump, gotta bump, never sit on a stump,  
never quit on a swell of a lump  
If you really want it bad  
you can't ever drag your feet to the beat of the sound of defeat  
even if you got heat

Whoa

Never take your mad off to defeat, so...

[hook]

There ain't no excuse for losing your feet(losing your feet)  
Drowning in your defeat, on this road of life(do your thing)  
there ain't no excuse for coming up short, the ball is in your court  
so reach up and touch the sky (sky)

[chorus (x3)]

Are you doing your thing and doing it well  
Are they looking at you hating singing oooohhh  
Ar you doing your thing and doing it good  
do your thing thing (oh), do your thing thing (oh)  
(Believe can nobody do it better than you,  
believe can nobody do it better than you)  
Do your thing, do your thing, baby  
Do your thing, All them looking at ya, All them looking at ya  
(Believe can nobody do it better than you,  
believe can nobody do it better than you)  
Do your thing, ooohh  
yeah....

ooohhh

(Believe can nobody do it better than you,  
believe can nobody do it better than you)
