

# 'N Sync, Gone

There's a thousand words that I could say  
To make you come home,(yeah yeah)  
Seems so long ago you walked away...  
Left me alone...  
And I remember what you  
said to me...  
You were acting so strange...  
mmmmmm...  
And maybe I was too blind to see  
that you needed a change.

Was it something I said,  
To make you turn away,  
To make you walked out and leave me cold  
(oooooooooh)  
If I could just find a way  
To make it so that you were right here...  
right now...

I've been sitting here  
Can't get you off my mind  
(cant get you of my mind  
I've tried my best to be a man and  
be strong  
I've drove my self insane  
Wishing I could touch your face...  
But the truth remains you're  
Gone...(your gone...baby your....gone your gone baby girl your.. gone ...your gone...your)

Now, I dont wanna make excuses baby,  
Wont change the fact that you're gone...  
no no...  
But if there something that I  
could do  
Wont you please let me know...  
The time is passing so slowly now...  
Guess that my life without you  
(guess that my life without you )  
And maybe I could change my everyday  
But baby I dont want to.

SO I'll just hang around  
And find somethings to do  
To take my mind off missing you...  
(to take my mind of missing you)  
And I know in my heart  
You can't say that dont love me too  
Please say you do...  
Ye-he-he-a...

I've been sitting here  
Can't get you off my mind.  
I've tried my best to be a man and be strong  
I've drove my self insane  
Wishing I could touch your face...  
(wishing i could touch your face)  
But the truth remains you're  
Gone...your ..gone ..your gone ...your gone your ...gone ...your gone

What will I do  
If I can't be with you  
Tell me where will I turn to  
Baby who will I be  
Now that we are apart

Am I still in your heart  
Baby why don't you see  
That I need you here with me...  
Oooooohh... ooh....ohhh

I've been sitting here  
(sitting here)  
cant get you off my mind.  
( cant get you off my mind )  
I've tried my best to be a man and  
(my best to be a man eh... )  
be strong  
I've drove my self insane  
Wishing I could touch your face...  
(Ooooh Oh,)  
But the truth remains youre  
(baby the truth remains)  
Gone...

Been sitting here  
Can't get you off my mind  
(cant get you off my mind)  
I've tried my best to be a man and be strong  
(my best to be a man)  
I've drove my self insane  
Wishing I could touch your face...  
But the truth remains  
you're... Gone..your ..gone ..your gone ..your gone...baby girl your gone....your..gone..but the..truth
