

'N Sync, Here We Go

Here we go

Here we go one more time everybody's feeling fine, here we go now,
(yes, yes, yes, here we go 'N SYNC has got the flow)
Bounce your head to the beat we've got everything you need, here we go now,
(yes, yes, yes, here we go 'N SYNC has got the flow)

Here we go just one more time and everybody's feeling fine
Here we go now (here we go, yeah)
If you want to party with us just feel free and feel the rhythm
Here we go now (here we go)

You know the party's here, sing-a-long and have no fear

Now is it time for us to reunite,
