

'N Sync, Home For Christmas

Close in the ocean with my window view
Thinking of the time I spend with you
When I close my eyes and I see the family
Making out their wish list
All dressed up for Christmas
On my own for to many years
I miss the happiness I miss the tears

CHORUS

When i close my eyes and I'm all alone
I think of all the love we shared
When I need a friend or a helping hand
I know that you will all be there
I've been gone for so many holidays
But you can light my fire
'Cus this year I'll be home for Christmas day

I see the children playing in the snow
Precious memories that I used know
And I see the love
In lovers eyes
Always there to teach us
The real meaning of christmas

On my own for to many years
I miss the happiness I miss the tears

CHORUS

It doesn't matter
How grown you think you are
Something happens to ya
When you see that shining star

CHORUS 2x
