

# 'N Sync, I Ate Your Snack

chocolate's all i wanted  
sugar's all i needed  
so tell me what to buy now  
cause i ate your snack

the word were hard to convey  
but the food just taste that way  
a lesson i've learned too well for sure  
so don't get mad at me now  
i'll buy more food , i do promise  
i'm going cracy without food

chocolate's all i wanted  
sugar's all i needed  
so tell me what to buy now  
cause i ate your snack

just the other day  
i had to raid the refrigerator  
there wasn't any food to eat  
i told you not to worry  
and i'f buy more food today  
i didn't know then that you were mad

chocolate's all i wanted  
sugar's all i needed yeah  
you're pretty pissed off now  
cause i ate your snack

chorus to fade
