'N Sync, I will be good for you

Ooh I'll be good for you baby

Yeah, oh

I'll be good for you

I ain't gonna take my love away

And I'mma love you more girl every day

I'll be good for you

Baby girl it's plain to see

That our love was meant to be yeah

I know your heart's anticipating

And my love is on your mind

Well don't you worry I won't keep you waiting

Cause I ain't never seen a lady so fine, yeah

I know you want me to

It's in your eyes

They say you do

They're telling me you'll open up your heart to me, yeah

Cause if you want me to

I'll sacrifice my world for you

And show you the way love's supposed to be, yeah

I'll be good for you

I ain't gonna take my love away

And I'mma love you more girl every day

I'll be good for you

Baby girl it's plain to see

That our love was meant to be yeah

Now I know you think I must be faking

I promised all these things right from the start

So don't you rush into the situation

Cause I just wrote this song to tell you my heart, ooh

I wanna be with you

And girl there's nothing I won't do

To make you see this is where you should be

Cause baby we can do anything you wanna do

Girl I wanna be a part of your fantasy

I'll be good for you

I ain't gonna take my love away

And I'mma love you more girl every day

I'll be good for you

Baby girl it's plain to see

That our love was meant to be yeah

Ooh yeah oh I'll be good for you baby

I can be good for you

Tell me what you wanna do

Baby girl it's plain to see

That our love was meant to me

(I'll be good for you)

I can be good for you

Tell me what you wanna do

Baby girl it's plain to see

That our love was meant to me

(I'll be good for you)

I can be good for you

Tell me what you wanna do

Baby girl it's plain to see

That our love was meant to me

(I'll be good for you)

Ì can be good for you

Tell me what you wanna do

Baby girl it's plain to see

That our love was meant to me

(I'll be good for you)

I can be good for you

Tell me what you wanna do

Baby girl it's plain to see
That our love was meant to me
(I'll be good for you)
I'll be good for you
I ain't gonna take my love away
And I'mma love you more girl every day
I'll be good for you
Baby girl it's plain to see
That our love was meant to be yeah
