'N Sync, It is christmas

Oh it's Christmas.. (ooh..) I'm so glad that you came my way from a million stars you and you are I swear your love is mine And I somehow I knew that you were made for me And I can't believe that my wish came true I'll nenver let ya go baby People are celebrating all thoughout the world And that's what we're gonna do tonight Cause we've got so much, So much love to share Oh, it's Christmas and we're sharing love just like we did last year Oh, it's Christmas And you know, I'm gonna be right here And still my heart belongs to you and only you Merry Christmas darlin' Let us share the joy of love tonight Cold winter nights may come and go And we're still dancing slow Can't you hear my song? The song I sing for you (yes I sing for you) People are celebrating all thoughout the world And that's what we're gonna do tonight Cause we've got so much, So much love to share Oh, it's Christmas and we're sharing love just like we did last year Oh, it's Christmas And you know, I'm gonna be right here I'm gonna be right there for you Yes, you know by now it's true I'm not going away no more People are celebrating all thoughout the world And that's what we're gonna do tonight Cause we've got so much, So much love to share Oh, it's Christmas and we're sharing love just like we did last year Oh, it's Christmas And you know, I'm gonna be right here [SPOKEN by Lance] And I wish you such a nice Christmas And Merry Christmas to all Merry Christmas to the world.
