

'N Sync, Just Got Paid

Thank God it's Friday night and I
just-just-just-just-juuuuuuust got paid
Yeah, money, money money money
yeah, money, money money money
yeah money money money money
money, money, money,money,money

CHORUS:

Just got paid, Friday night
Party hoppin', feelin' right
Booties shakin', all around
Pump that jam, while I'm gettin' down

Check the mirror, lookin' fly
Round up the posse, jump in my ride
Radio rockin', hottest jams
Feel the rhythm, pump up the sound
Feelin' so good, Don't you know
I'm just groovin' to the beat
I'm groovin', yeah, groovin', oh, oh, oh, ohhhh

CHORUS

Some people say my solo is impossible
But when I get up on the mic, yo, I'm unstoppable
And it's probable when ya hear our voices laid down
You'll be boppin' your head to this real tight sound

Now I know ya thought that ya had me
played (played)
The check is in my hand I got it made (made)
And if you'll notice my smile is like Kool-Aid
Cuz I just (just) got (got) paid (paid) UHHH

On the floor, rockin' to the beat(rockin' to the beat)
All ways(right), sure looks sweet
Fine young lady(you look fine tonight), standin' by
Come on baby, sweet like delight (?!?)
I rock the world that you move
You look so sweet, when you're movin' to the beat
I'm tired of boring parties, baby
Why don't we get on down, let's get on down

CHORUS x2

Say "Ho!"
&"Ho!
Say "Ho ho!"
&"Ho ho!"
Say "Ho ho ho!"
&"Ho!"

Man, I'm broke.
