

'N Sync, Now I'm Here

now we're here
J-U-S-T-I-N(what what)
we are here for you
what's that you say
baby its okay
cuz u know we're ugly

CHORUS

BSB kicks our ass
because they always do
baby i know we're lucky
but look on the bright side
we are loaded
and can buy you things

so ignore our strange looks
and when you kiss us
you can picture B-rok if you want
but please baby
hold my hand
cuz britney wont touch me
