

# 'N Sync, On The Line

I'm layin' it  
On the line to show you  
I'll never let you go  
On the line for your love  
There's nothing I want more

Another dead-end street, another love gone wrong  
Another shattered dream, always the same old song  
I started thinking that, you'll never come along

I got all this love inside, that so long was denied  
I wish you knew what I've been through to get to you

I'm layin' it  
On the line to show you  
I'll never let you go  
On the line for your love  
There's nothing I want more  
When you smile, I feel my heart open  
And I know there's nothing that I wouldn't do  
I'm layin' it  
On the line this time  
Just to be with you

After everything my heart's been through  
I treasure every moment I spend with you  
For me to feel this way is something new

Now it's got ahold of me, it's making me believe  
That what we've got is something unlike any other

I'm layin' it  
On the line to show you  
I'll never let you go  
On the line for your love  
There's nothing I want more  
When you smile, I feel my heart open  
And I know there's nothing that I wouldn't do  
I'm layin' it  
On the line this time  
Just to be with you

- \* If you're thinking what I'm thinking
- \* All you gotta do is say the word (say the word)
- \* If you tell me what you're needing
- \* I can give you what you're asking for (asking for)

Well I didn't have a prayer, I thought nobody cared  
Turned around and you were there

I have been waiting for you (waiting for you baby)  
And I want you to know (I want you to know)

On the line to show you  
That I'll never let you go  
On the line for your love  
There's nothing I want more  
When you smile, I feel my heart open  
And I know there's nothing that I wouldn't do (nothing that I wouldn't do)

I'm layin' it  
On the line to show you  
Never gonna let you go, never gonna let you go

On the line for your love  
There's nothing I want more  
When you smile, I feel my heart open  
And I know there's nothing that I would not do  
I'm layin' it  
On the line this time  
Just to be with you
