

'N Sync, On The Line

I'm laying it
On the line to show you
I'll never let you go
On the line for your love
There's nothing I want more

Another dead-end street,
another love gone wrong.
Another shattered dream,
always the same old song.
I started thinking that
you'd never come along.
I've got all this love inside
and that was all that was tonight
I'm wish you knew what I've been through to get you

I laying it
On the line to show you
I'll never let you go
On the line for your love
There's nothing I want more
When you smile,
I feel my heart open, and I know there's nothing that I wouldn't do
I'm laying it
On the line this time
Just to be with you

After everything
my heart's been through,
I treasure every moment
I spend with you.
For me to feel this way
is something new.
Now it's got a hold on me,
it's making me believe
The love we got is something unlike any other

I'm laying it
On the line to show you
I'll never let you go
On the line for your love
There's nothing I want more
When you smile,
I feel my heart open, and I know there's nothing that I wouldn't do
I'm laying it
On the line this time
Just to be with you

If you think it wasn't thinking, all you gotta do is say the words
(Say the words)
If you tell me what you need, then I can give you what you ask for
(Ask for)

When I didn't have a prayer, I thought nobody cared
I turned around, and you were there

Now I've been waiting for you
(Oh waiting for you baby)
And I want you to know
(I want you to know)

On the line to show you
(That I'll never let you go)
On the line for your love

(There's nothing I want more)
When you smile,
I feel my heart open, and I know there's nothing that I wouldn't do
(Nothing that I wouldn't do)

I'm laying it
On the line to show you
(Never gonna let you go)
On the line for your love
There's nothing I want more
When you smile,
I feel my heart open, and I know there's nothing that I would not do

I'm laying it
On the line this time
Just to be with you.
