

'N Sync, Pop

Dirty pop

I'm sick and tired of hearin'all these people talk about
what's the deal with this pop life and when is it gonna fade out?
The thing you've got to realize what we're doin' is not a trend
We got the gift of melody, we're gonna bring it til the end (come on now)

It doesn't matter

'Bout the car I drive, what I wear around my neck

All that matters

is that you recognize that it's just about respect

It doesn't matter

'bout the clothes I wear and where I go and why

All that matters

Is that you get hype and we'll do it to you everytime (come on now)

CHORUS

Do you ever wonder why

this music gets you high

it takes you on a ride

you feel it when your

body starts to rock

and baby you can't stop

and the music's all you got

this must be POP

Dirty Pop

Baby,baby you can't stop

I know you like this dirty pop

This must be ...

Now why you want to try to classify the type of thing we do

'cause we're just fine doin' what we like

can we say the same for you?

I'm tired of feelin' all around me animosity

just worry 'bout yours 'cause I'm a get mine now people can't you see

It doesn't matter

'bout the car I drive or the ice around my neck

All that matters

is that you recognize that it's just about respect

It doesn't matter

'bout the clothes I wear and where I go and why

All that matters

is that you get hype and we'll do it to you everytime (come on)

CHORUS

Do you ever wonder why

this music gets you high

it takes you on a ride

you feel it when your

body starts to rock

and baby you can't stop

and the music's all you got

this must be POP

Ooooo, man I'm tired of singin'

(Music)

dirty dirty dirty

dirty POP

CHORUS

Do you ever wonder why

this music gets you high
it takes you on a ride
you feel it when your
body starts to rock
and baby you can't stop
and the music's all you got
this must be POP

Do you ever wonder why
this music gets you high
it takes you on a ride
you feel it when your
body starts to rock
and baby you can't stop
and the music's all you got
this must be POP
