

'N Sync, Promises

Ohh ohhhhhh
When the visions around you,
Bring tears to your eyes
And all that surrounds you,
Are secrets and lies
I'll be your strength,
I'll give you hope,
Keeping your faith when it's gone
The one you should call,
When you're standing here all alone...
And I will take
You in my arms
And hold you right where you belong
Till the day my life is through
This I promise you
This I promise you
I've loved you forever,
In lifetimes before
And I promise you never,
Will you hurt anymore
I give you my word
I give you my heart
This is a battle we've won
And with this vow,
Forever has now begun...
Just close your eyes
Each loving day (each loving day)
And I know this feeling won't go away
Till the day my life is through
This I promise you
Every word I say is true.
This I promise you
Ooh, I promise you...
